

MJUSD ENERGY MANAGEMENT PROGRAM

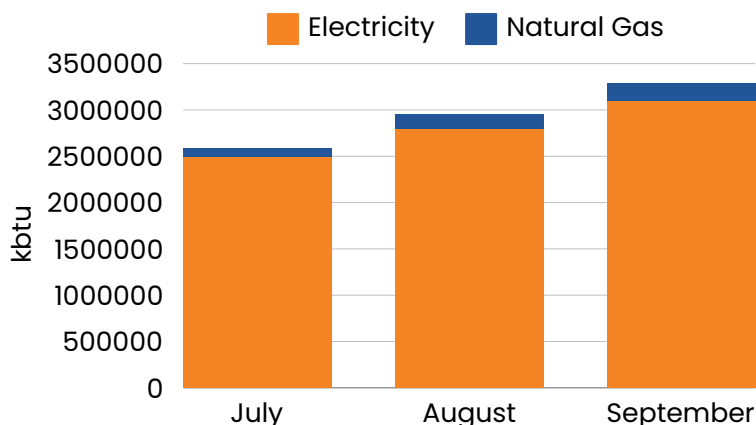

MONTHLY REPORT – NOVEMBER 2024

SitelogIQ is pleased to provide the November 2024 Monthly Report for the Marysville Joint Unified School District Energy Management Program. This report will summarize current (2024-2025) academic year energy usage and cost data and compare it to baseline (2018-2019) and previous (2023-2024) academic year data for the months of July through September only.

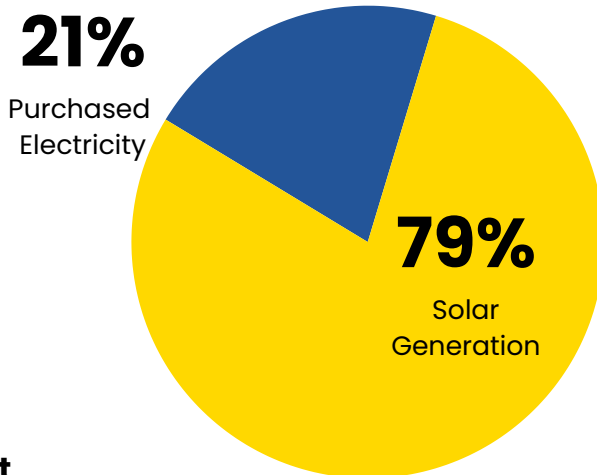

This information can also be found on the district's interactive online Energy Dashboard.
