Serving on the Committee is an important task and we are looking for highly qualified, capable and committed individuals to be members of the Committee.

Under California law (Education Code sec. 17389), the Committee must have at least seven (7) members and no more than eleven (11) members and contain persons who can be representative of each of the following:

California law also designates the specific duties of a 7-11 Committee (Education Code § 17390) as follows:

- Review the projected school enrollment and other data as provided by the district to determine the amount of surplus space and real property;
- Establish a priority list of use of surplus space and real property that will be acceptable to the community;

Other Information/Conflict of Interest

As a member of the Committee, an individual may be subject to conflict of interest provisions including Government Code Section 1090, prohibition against financial interests in any contracts of the District, if the individual participates in the making of such contracts. In addition, members of the Committee may also be subject to the general prohibition against conflicts of interests set forth in the Political Reform Act of 1974. For example, if a Committee member owns a piece of property that may be financially affected by an act of the Committee, the Political Reform Act may require that the Committee takes steps to ensure its decisions are not influenced by the Committee member in question.
