

## FROM THE DESK OF THE SUPERINTENDENT

Dr. Fal Asrani

Wednesday, August 16, 2023

Dear MJUSD Community,

I hope you are having a wonderful week.

Below is an overview of the August 15, 2023, Board of Trustees meeting:

The Board recognized two community leaders for their partnership with the student internship program and three students who completed a summer internship:

1. Brian Davis, The Law Office of Brian J. Davis - Office of Yuba County Public Defender
2. Robert Fischetti, 93Q Radio Station
3. Student Prince Her from LHS
4. Student Svetlana Maximova from MCAA
5. Graduated Senior Kailanna Kurotobi

I shared with the community that we have had a great start to this school year. Our school administrators, teachers and support staff are looking happy and ready to welcome the students. We started off the first day with all district administrators reporting at different school sites with donuts for the staff. I have visited classrooms at MHS, YGS, Kynoch, Olivehurst and Arboga over this week. I will be visiting another three by the end of this week and complete all sites by the end of the month. Mr. Davis joined me at Yuba Gardens and Dr. Yang joined me for the Arboga and Olivehurst visits. I also visited the Honors classes at Yuba Gardens. I am very excited to see the expansion of middle school honors across the district.

The Board approved the following:

- PE Sports Variety
- Yoga and Walking for Fitness
- Right of Way discussion with CalTrans
- The Board received and accepted the 13.5 million dollar grant for wellness
- We also heard a presentation about the adopted budget

Our next Board meeting is scheduled for Tuesday, September 12, 2023.

I continue to be grateful to serve this community to make our schools the best they can be. Attached is the [facilities flipbook](#) to share and celebrate all the work that has occurred over the past few years and those scheduled to be completed in the very near future.
